Foreword

Let us keep our memories bright
So that our silent thoughts abound
With visions of our youth.
What a pity it would be if we
Had not experienced that rare
Vintage wine of first romance
Or such great happiness that our
Souls seem to overflow.
Let us all remember the bittersweet
Experiences of our youth; lock them
In our hearts, never to die or be
Destroyed, for these are the Images
That have shaped our lives.

Images We Hold Dear

Times we spent together . . .

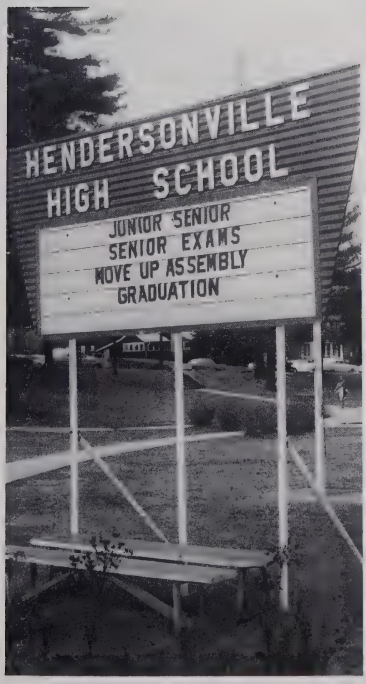

These treasured impressions of our lives at H.H.S. will remain always in our hearts, to be fondly remembered from time to time.

People, people, and more people--that's the "Hasty" after school any day of the week!

"Look to this day!
For it is life, the very
life of life.
In its brief course
Lie all the verities and
realities of your existence;
The bliss of growth
The glory of action
The splendor of beauty . . . "

- Kalidasa

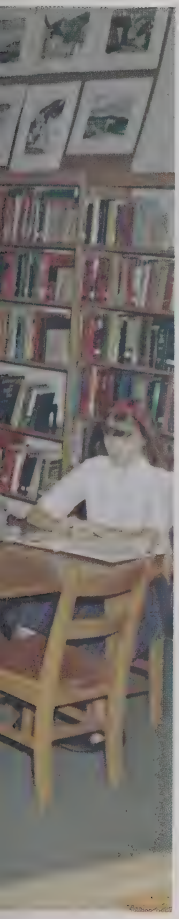

"The Bliss of Growth..."

"Boys and Girls"

Need We Say More?

See Anything?

Signal honor came to our school when our library was chosen as one of the three high school State Demonstration Libraries in North Carolina. It has grown and improved to such a degree that it is now a "center of learning," a model for other schools in the state. As a learning center, it provides not only many, many books, but also valuable, up-to-date audiovisual teaching aids such as filmstrips, reels of movie film, recordings, tapes, color slides, transparencies for overhead projection, sound slide-films, art prints, classroom study pictures, and maps. These varied materials cover literature, history, science, mathematics, physical education, athletics, home economics, vocational arts, guidance, psychology, opera and musical comedy, classical music, social studies, foreign languages, and others. As a demonstration library it has played host to many visitors from all over North Carolina.

A Milestone Reached . . .

"The Glory of Action"

Fun is an important part of school life. One of the highlights of the year comes when the Powder Puff game is held. Girls don football uniforms and the boys deck themselves out as cheerleaders, majorettes, and Powder Puff Queen candidates.

The Splendor

of Beauty . . .”

Homecoming Festivities

Jr.-Sr. The very words alone bring excitement and anticipation to all who hear them. Long and tedious hours produced "Swan Lake Fantasy" which honored the graduating class of 1966.

The school spirit of '67 echoes through the corridors, down the steps, and onto the playing fields of H.H.S.

Alma Mater

Hail to the Red and White!
Hail to our Alma Mater!
Ready we stand, to her just demand
To keep our future bright.

Sing Carolina's praise!
Hendersonville always!
Loyal and eager stand we now
Pledged to the Red and White.

As we enter our separate paths of life--as "way leads on to way" --we know we shall never retrace our steps.

"For yesterday is but a dream
And tomorrow is only a vision,
But today well lived makes every
yesterday a dream of happiness
And every tomorrow a vision of
hope.
Look well, therefore, to this day!"

--Kalidasa

Dedication

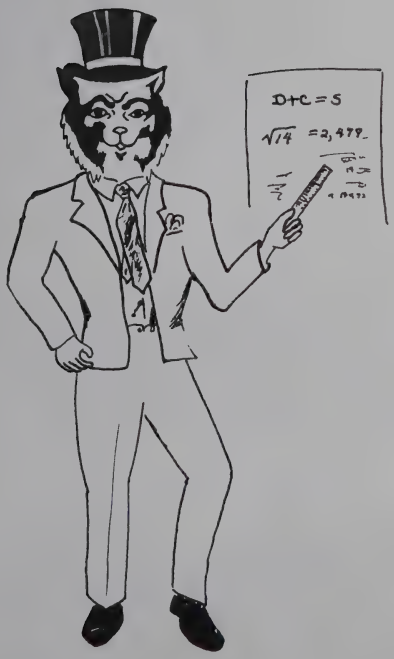

Standing as bulwarks in the background of our lives--at home, at school, at play--are those who rejoice of our successes, sympathize with our mistakes, share our moments of sorrow, and conscientiously guide us through the pains of growing up to a maturity which enables us to face the world ahead.

Seldom do we take the time to tell them what they mean to us and express our appreciation for their unwavering support [illegible] on our behalf.

In loving appreciation, we [illegible]

Administration

Mr. Ben Prince
Chairman of School Board

Our school system is operated by the Hendersonville City Board of Education whose members are appointed by the City Commissioners who are elected by the people. Few people realize the amount of effort that the Board devotes to the school system. It is the duty of the Board to engage personnel, to maintain buildings and facilities, and most importantly, to obtain necessary funds. The Board works through the superintendent, who has direct contact with school personnel.

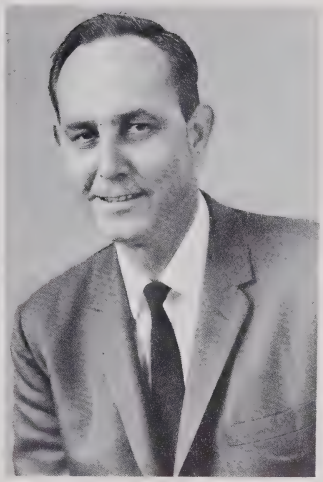

School Board

Left to Right: Mr. Ben Prince; Mr. Henry Marsh; Mr. Hugh Randall; Mr. John Gregory; Dr. James Lutz. (Not present at time of picture was Mr. C. E. Livingston.

There is a significant fact about the LAUREATE that none of us should forget. A tremendous amount of work and time has been spent primarily to honor individuals. It is not designed to appeal to the masses, but only to you named herein. Here we have an image of that which was, and is to be--you.

Hugh D. Randall

Your work as students, school citizens, and Seniors is ably portrayed through the pages of the LAUREATE. It is through these pages that the images you have created during your school days are reflected. Here is the record of your achievements, dreams, and aspirations. Future senior classes can look upon these and be moved to emulate your example of worthwhile accomplishments.

C. M. King

In the pages of this LAUREATE, the events of this school year are recorded so that they may be recalled as Images and memories of days gone forever. It is through this record that these moments and these happenings can be recreated and through the imagination lived again. We hope these memories will be happy ones for you.

Student Council activities covered a broad area of student life in 1966-67.

A New Student's Party, a number of sock hops, a Christmas Dance, and a Twirp Dance were sponsored by the Student Council to meet the social needs of the student.

In order to establish a better intellectual atmosphere, the council created a special Student-Faculty Relations Committee. An appeal was made to Mr. Lockaby to change mid-term and final exam schedules.

Nearly $600 was raised in a highly successful bottle drive. This fund is more than enough for a foreign exchange student next year.

The Council sold Student Directories and Bearcat hats at or below cost to boost school spirit and benefit the students.

Most importantly, the Council acted as a sounding board of student opinion. Student feelings on going off campus at lunch were conveyed to the school board. Also, an attempt was made to improve assemblies and to sample student opinion on this matter.

In short, this year's Student Council made an honest effort to represent the student body and to make H.H.S. a better place.

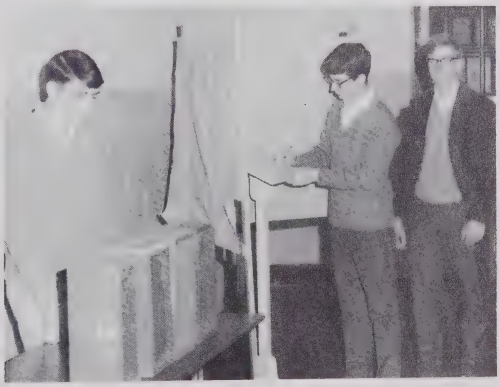

Lynn Padgett, Secretary; Grant Healy, Treasurer; John Porter, Vice President; Casey Jones, President.

The Student Council sponsors sock hops to provide social fellowship among the students.

This year the Library Club had a special undertaking that will continue again next year. The Hendersonville High School library was chosen one of three high school demonstration libraries in the state. This honor offered a great opportunity to library assistants to learn the newest equipment in the library field. Library Club members are many times called upon to operate machines for the visitors who come to the high school.

Athletics

Joe Hunt

Athletic Director

Students,

The coaches at H.H.S. believe that educational benefits that come from playing athletic games are benefits in which all students should have opportunity to share. One can learn from athletics not only about other people but also how to get along with them.

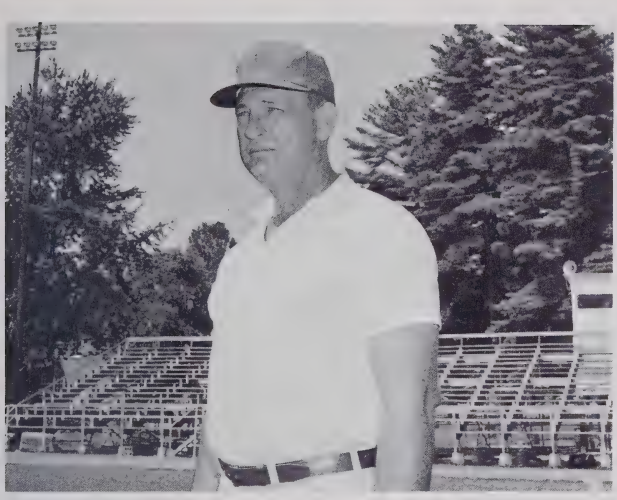

In team games, competition teaches the individual how to work with others for group goals.

Making decisions and accepting responsibility for the consequences is required on the playing field as in life.

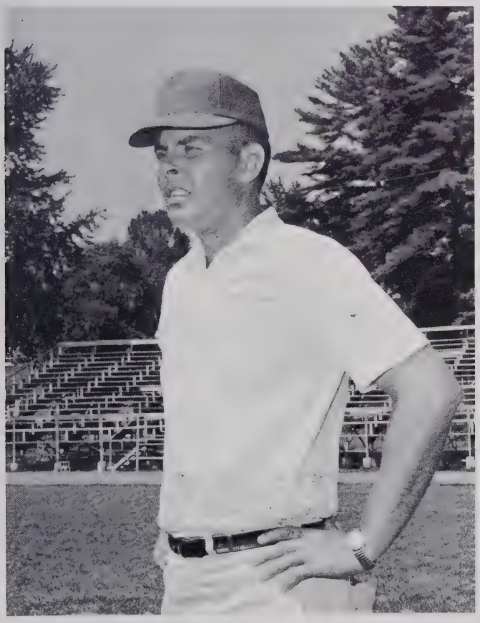

We strive to encourage a spirit of fairness, observance of the rules, sporting attitudes toward teammates and opponents, and ability to "take it" in victory or defeat. We hope that among your experiences at H.H.S., the ones of athletic competition will be the most cherished.

Sincerely,

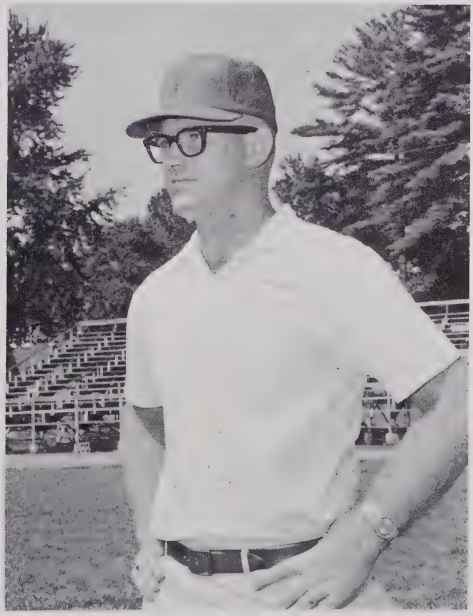

Joe Hunt

Coach Joe Hunt, now in his third year as head coach of the Bearcats, graduated from Western Carolina College in 1950. From there he went to his position as head football coach at Sylva-Webster High School. In 1964 Hunt took over as Athletic Director of Hendersonville High School. Coach Hunt is also in charge of the golf team.

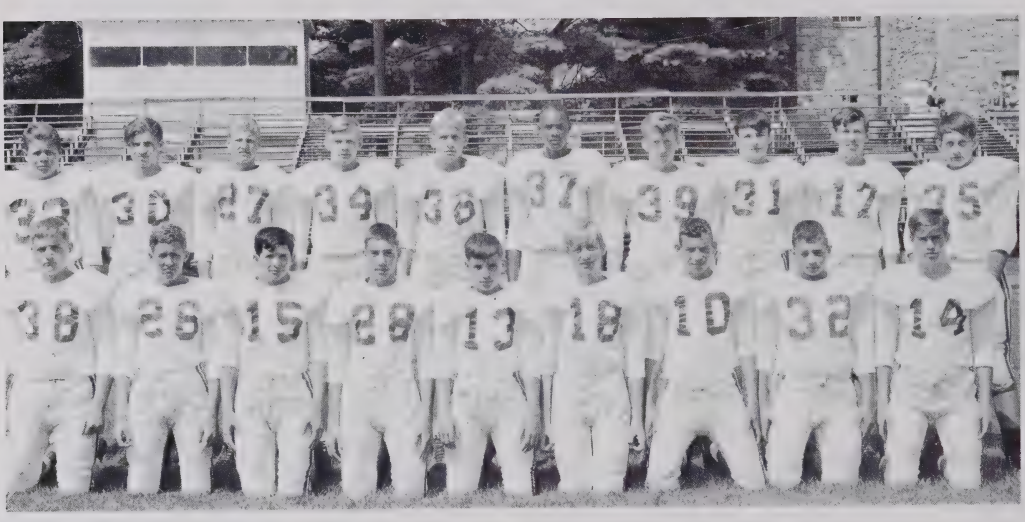

Coach Charles Byrd, Bearcat football line coach, graduated with a B.S. degree in 1958 from Western Carolina College. Following graduation, he entered the Marine Corps, attaining the rank of first lieutenant. Returning from the Marines, Byrd received an M.A. degree from Western Carolina in 1965. In addition to his football duties, Byrd is also the tennis coach.

Coach James Seay, also a Western Carolina College Alumnus, graduated in 1965. In his first year as a coach, Seay serves as the coach of the defensive backfield and ends. Beyond his affiliations with the Varsity football team, Seay is the P.E. coach at Rosa Edwards.

'Cats Progress With Season

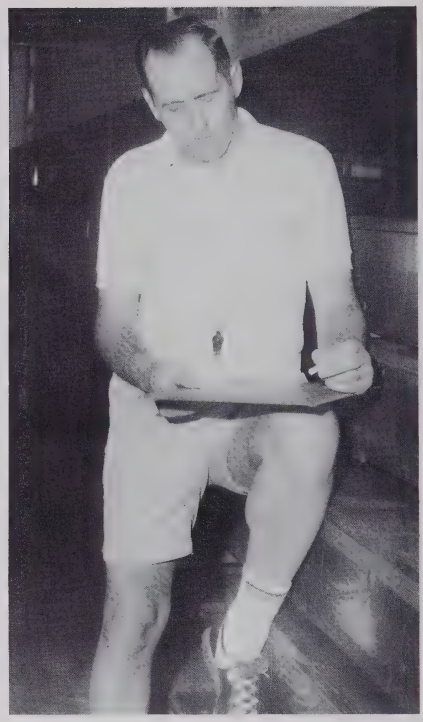

The Bearcat Cagers this year had only a fair season, but progress was quite evident as the season neared termination.

The two seniors this year were the big point producers. Wayne Hoots from the outside had an average of 18.1 points per game, and David McDaniel on the key had a 14.1 point average.

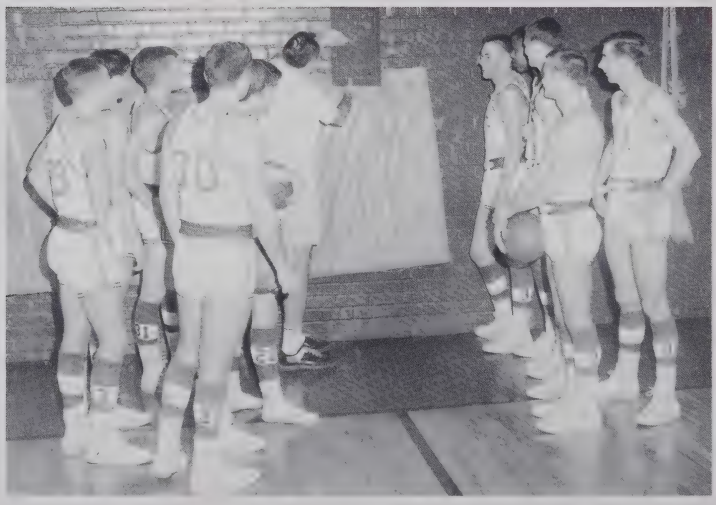

Strength out front was provided by Porter and English who, although only in their first year on the Varsity court, proved to be excellent ball-handlers.

Eric Orr and Bill Bailey in the forward spots also added to the depth of the 'Cats as they were found to be dependable in all departments.

More than any of these individuals, the back-up strength of the second team was perhaps one of the biggest determining factors in the Bearcat victories.

Bearcat Thinclads

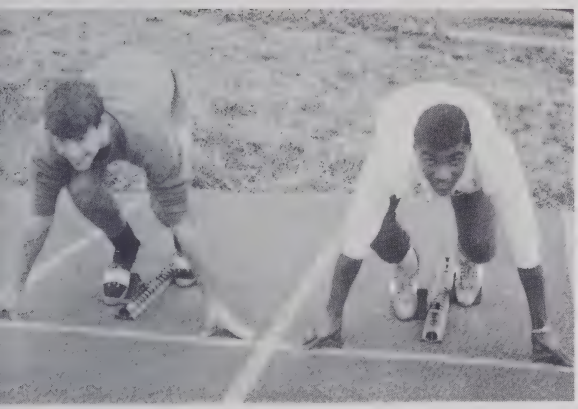

Coach Phil Brintnall

From the exceptional practice times turned in during the pre-season workouts, the indication was that the Bearcat cindermen should have a high-ranking team. The mile relay team--Pryor, Healy, Clarke, and Hamilton--and the pole-vaulters promise to be among the top in the state. In distance runs, sprints, and hurdles, the tracksters have high placing runners, but extreme lack of depth is considerably detrimental. The same situation also occurs with the field men in the shot put, high jump, and broad jump.

Coach Phil Brintnall, now in his second year as the H.H.S. track coach, also has charge of the Cross Country Team. The Cross Country team--Hamilton, Porter, Hyder, Milligan, McGrath, Jackson, Grissom, Wilson, and Trembly--was plagued this year with injury and illness, but did defend their WNC title with a tie with Enka.

State Runners Return

Junior Steve Sherwood leads the hurdlers, while Albert Creaseman leads the sprint men.

Doug Pryor, Steve Clarke, and Grant Healy, along with Bill Hamilton comprise one of the state's top mile re-lay teams.

Junior Bill Hamilton and John Porter are distance leaders.

Brian Hyder, Jim Ward, and Buffie Feagin man the lead ports among the pole-vaulters.

Senior John Smith and Sophomore Mike Lemmons are top field men in the shot put and broad jump, respectively.

The Bearcat Baseballers this year, under the direction of Coach Pardue, has the makings of a strong team. Returning this year with four experienced Seniors are last year's three top hitters. Also from last year are three returning lettermen.

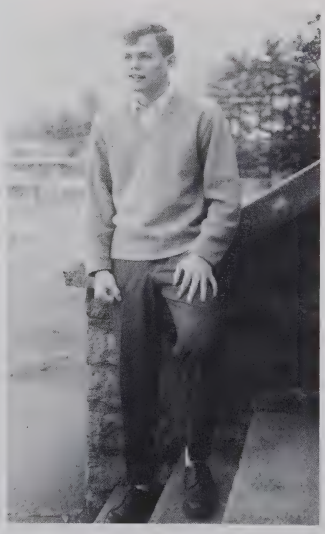

Coach James Pardue

In the pitching department, prospects are high for several young pitchers whom the 'Cats have acquired. Experienced players will also aid in this area.

Among the returning Seniors is Wayne Hoots. Last year Wayne was made a member of the All-State baseball team as an outfielder, being one of the three members selected from W.N.C. Wayne also pitches for the Bearcats.

Reddy To Rock

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more.
